FOREWORD

There stood the waiting doors.
We rushed toward them confidently.
And took our first steps down the corridors,
Turning into the waiting classrooms
To meet the challenge of a new year.

At first we were individuals
Striving to achieve our own goals.
Then we discovered we had a common purpose:
To learn, to mature and to be happy.
Overcoming reluctance we moved forward together—
Attaining our goal.

Coming with loads of questions, we found answers.

*Mr. Keen
I had really
enjoyed you as
a wonderful teacher.
I'll tell you the
truth you were
my best teacher
I hope to see you
next year.
God bless you.*

*Love,
Leona*

**Accent on Achievement
in 1961-62**

We were confused, but eager.
We made friends and influenced people.
We studied together and alone.
We sought companionship and solitude.
There was a time for method, a time for madness,
The thrill of achievement, the frustration of failure.

The curtain falls on these moments,
The year fades away,
Except in memory which with time
Sometimes becomes dim.
We have tried to capture them forever in pictures and
print.

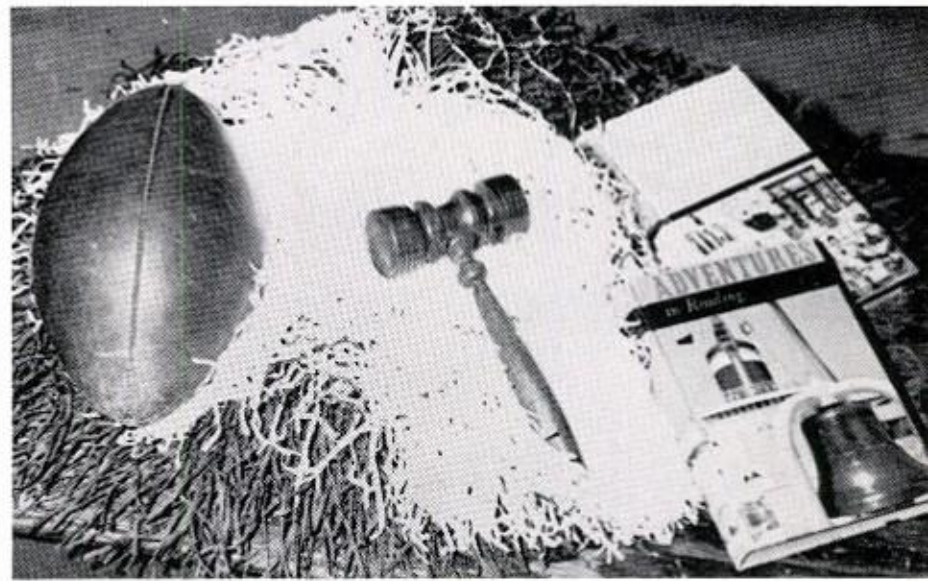

The OTYOKWA staff now presents to you,

Creating the Desire to Achieve . . .

*M*any students have come under the tutelage of the person to whom this year's OTYOKWA is dedicated. Remembered as very thorough, demanding, sometimes even as "difficult," students are quick to add that she is fair, impartial and understanding. They feel she is striving to draw the best from each boy or girl that she teaches.

*I*n addition to her classroom work, she has served as Senior Class Sponsor, Freshman Class Sponsor, and Spanish Club sponsor. Each year she has helped to plan and direct the annual Pan American Program sponsored by the Spanish Honor Society.

*S*he received her B.A. degree from the University of Texas and her M.A. degree from Texas Western College. Besides teaching in the Foreign Language Department, she has taught in the Commercial and English Departments.

*S*tudents come in contact with her daily in the cafeteria. Since she came to Ysleta High School twenty-seven years ago, she has served as manager of the school cafeteria. Besides taking up the money, she hires the staff and keeps the books.

*I*n appreciation of her service to YHS, we, the annual staff, would like to dedicate the 1962 OTYOKWA to

Miss Elsie Campbell

Summer Dissolve

"OOOH YES, I LOVE AMERICA," ZEYNEP BARLAS, OUR EXCHANGE STUDENT, INFORMS LINDA MITCHELL.

In the sundrenched days of summer, students studied, slept, and pursued their activities in a leisurely manner. Adopting hobbies, tackling subjects in summer school, planning for the school year ahead, and traveling to distant places highlighted their schedules. Some strived to fill the short summer days with as much enjoyment as possible, including dancing, bowling, swimming, and golfing. Picnics, parties, and pure fun accented this unforgettable summer. Ysleta's population passed the "golden time" all too quickly.

"WHAT IS THAT NOTE?" QUESTIONS BONNIE LYERLY DURING SUMMER BAND PRACTICE.

Registration ummer

Summer registration brought new experiences for Freshmen as well as the upperclassmen. Student Council members were kept busy with assigned jobs and running errands for the teachers. Many of the teachers offered their help during this period. After registration, many people stayed at school getting all the records in order before the term started.

Fall

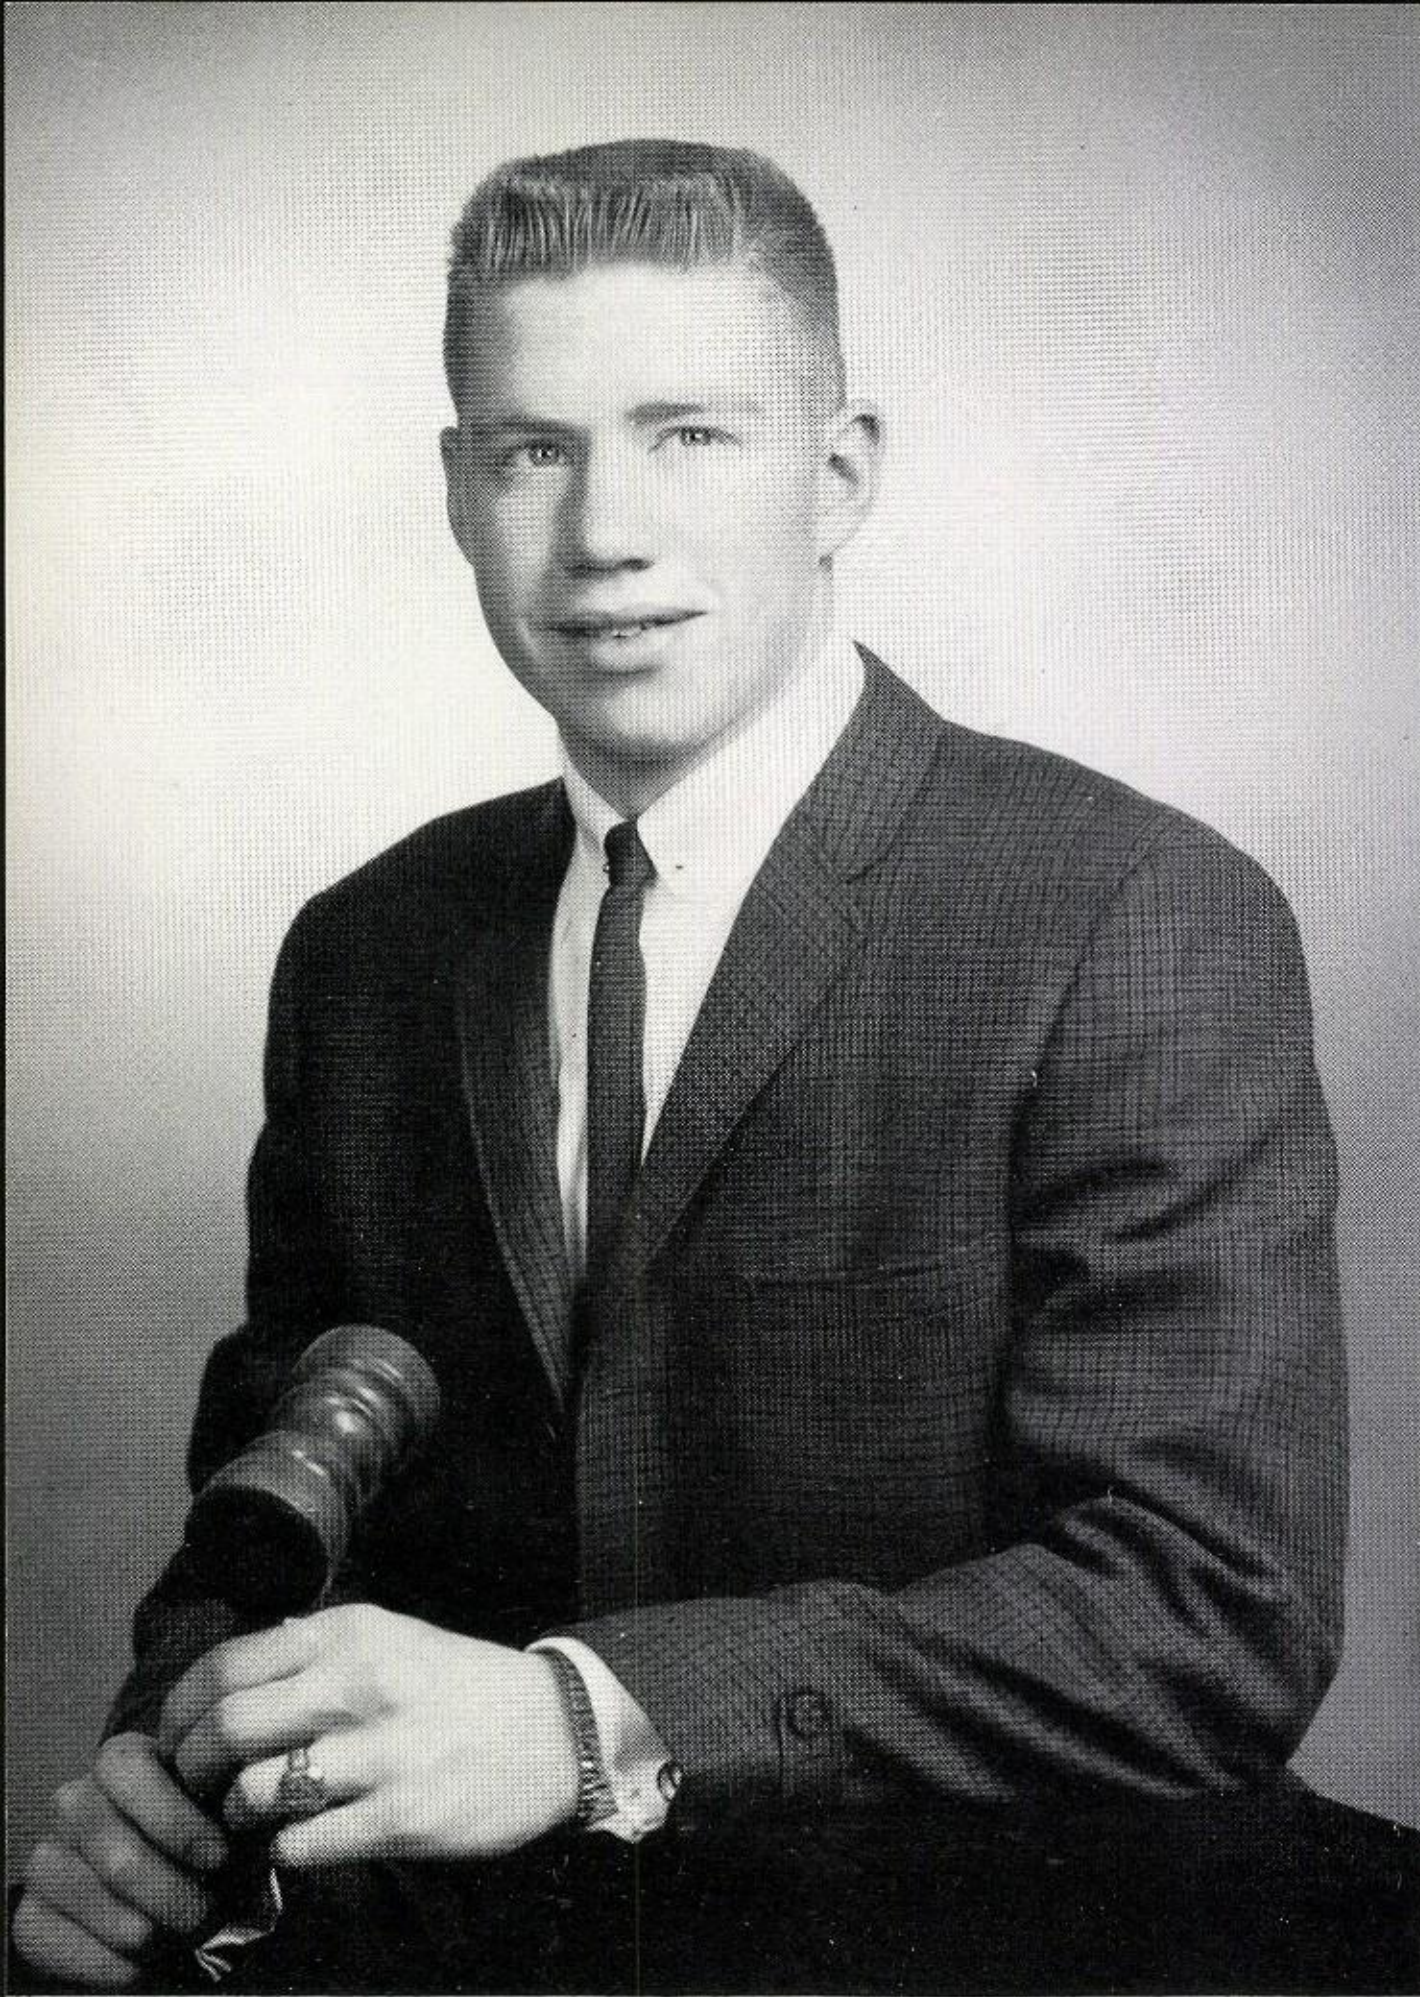

FALL 1961

A constant contrast of study, activity, and fun.
Awaiting us were new classes,
New teachers
New truths to learn.
Slowly at times and hurriedly at others,
We advanced.
Finding $3x - b = Y$
Memorizing battles, causes and results,
Distinguishing sonnets, epics and drama.
Whether it was the bang of the gavel on the table,

Or the echo of the actors' voices during play practice,
Selling tickets, decorating, or planning projects,
Fall was full of activity.

Putting away other events,
We gathered in Hutchins Stadium.
Crepe-paper streamers dotting the air,
Rhythm heard o'er the valley
Of the drums and clapping hands.
And the pig-skin flying through the air;
This spelled fun.

Rushing around to get banners up, TePee Finder pages typed, Homecoming details finished, and keeping up his academic grades, JOE CIALONE, this year's Student Body President, was kept busy. Besides his duty of presiding at all the Student Council meetings and directing the various activities of the council, Joe is a member of the National Honor Society as well as a varsity football letterman. Joe also attended the annual Texas Association of Student Councils Conference held in the spring.

J. M. Hanks Completes Thirty-third Year as Leader

Few people now would recognize the Ysleta district of yesteryear. New administration facilities, twelve grade schools, and two junior highs in the process of becoming high schools, comprise the present day system. He has devoted his time to providing a good educational system. Mr. Hanks is active in many civic and professional organizations.

Mr. Hanks received his B.S. from Southwest Texas State Technical College and his M.A. from Sul Ross College.

Commercial Arts, Agriculture, Homemaking, Art and Music Add Variety to Curriculum

Commercial arts gives training to students who plan to seek jobs immediately after graduation and to those who desire business skills for other reasons. Courses are offered in typing, shorthand, bookkeeping, office training and commercial law.

Four years of agriculture, including supervised home study and summer work, provide work in farming, livestock raising and general skills.

In the homemaking cottage, designed with the facilities

of a real home, girls are taught cooking, sewing, flower arranging, child care and home management.

Music instruction includes both choral and instrumental with several organized choir groups, a marching band and drum corps.

Art students find themselves gaining much experience, as, in addition to their courses, they prepare posters and stage settings for projects planned in other departments.

With the summer just beginning, the newly elected cheerleaders began their weekly practices. After learning all of the old yells, they enrolled in and attended cheerleading camp in Beaumont, Texas. Representatives from Ysleta returned from camp ready to start off the new year with different yells, stunts, and pom-pom routines. The cheerleaders were always ready to lead our teams on to victory! Mrs. Yvonne Shackelford sponsored the group.

A speedy Ysleta eleven handed a bewildered Albuquerque a 28-0 defeat which saw Tribe warriors open a scoring streak that would not stop. The opening play saw Jim Combs race 65 yards for the TD. Sutherlin kept the score soaring upward behind the blocking of John Folmer, Bill Edens, and Denny Brewer, as he pounded over for one in the third and another punt return in the fourth. Ysleta's final tally came in the fourth quarter when Davenport fired a pass to Combs for the TD. Albuquerque was held scoreless by the massive defense led by Marquez and Morton.

Indians Defeat Lions

SUTHERLIN IS HAMPERED BY A TECH
DEFENDER.

Ysleta took its third straight victory of the season by whitewashing a Tech Lions squad 19-0. It was Davenport's night as he passed for one TD and ran for two. The game was hampered by penalties as neither team could score. Twice Combs had his TD called back. Davenport then rolled out, found no opening, and ran for the six points. Davenport repeated his feat in the second quarter for a 27 yard touchdown run. The big defense led by Carrasco and Regan held the Lions to no score and minus yardage while Davenport passed to Ralph Ornelas for the final score.

The Tribe's hopes for a district title brightened as the fourth straight victory fell to the mighty Indians 54-0. The Tribe's ability to score from any spot on the field was shown by John Folmer's two interceptions and TD runs. Sutherlin scored two, Combs scored three, and Edens scored one. Fox offense was stopped cold by the defensive tactics led by Talley and Hardy. Another record was kept alive, and that was Davenport's record of a TD pass in each game played so far.

AN UNIDENTIFIED INDIAN IS BROUGHT DOWN BY AN IRVIN ROCKET.

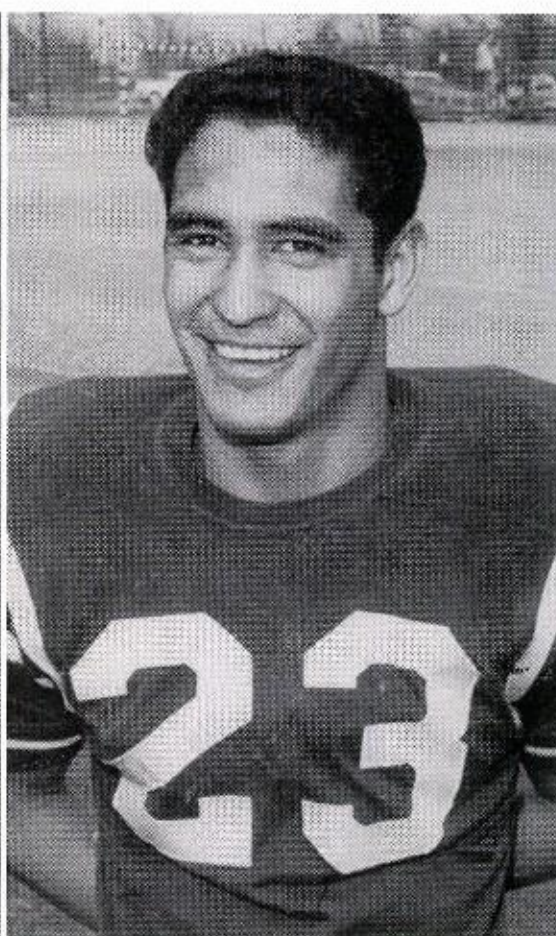

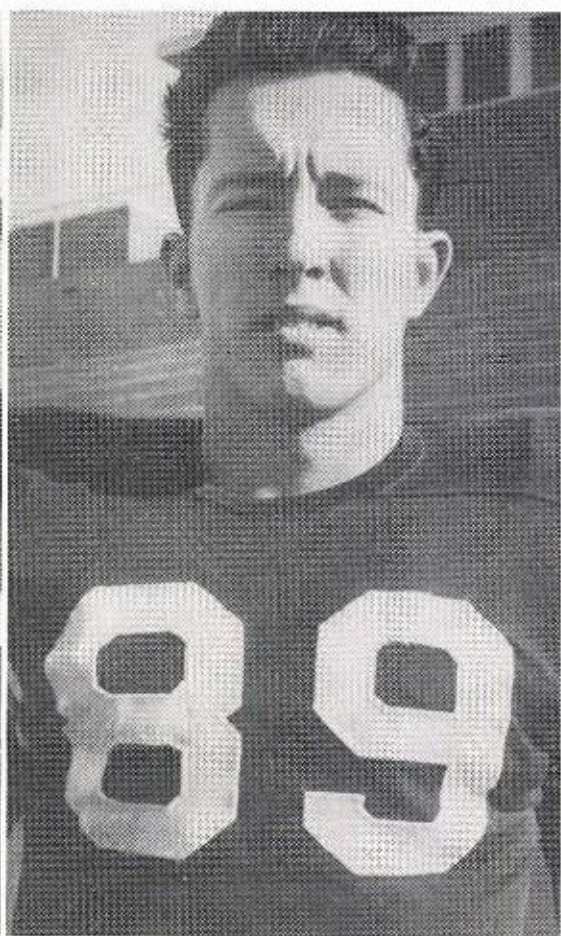

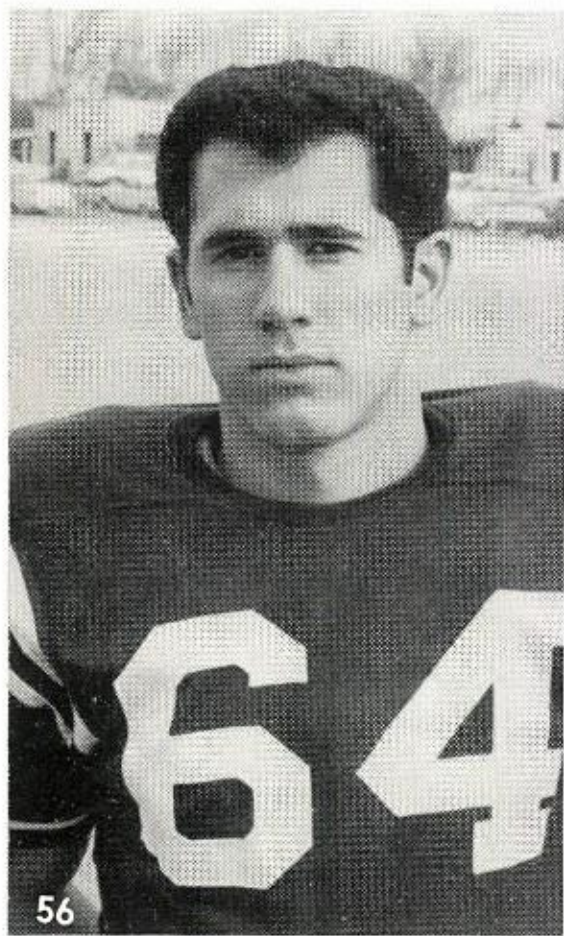

The Irvin Rockets startled an Ysleta eleven by scoring a touchdown on the first kick off of the game as they rescued a free ball in the Ysleta end zone. However, Ysleta shook off the surprise and began a methodical scoring. Sutherlin racked up three touchdowns, Combs one, Fuentes and Morton one each on pass interceptions, Corbin one, and the final tally was chalked by Joe Carrasco on a 66 yard pass play. Tribe defense was led by linemen Cialone and Howard and cornermen Carrasco and Wilcox. Irvin was stopped cold and was given minus yardage. Final score stood at 53-6.

The Indian eleven broke loose for 27 points in the first period of play, and then coasted to a 36 to 0 victory over the Austin Panthers. The 36 points scored against Austin set a new record of points scored on the Panthers in District play. It was Mike Sutherlin and Ken Corbin who highlighted the Indian offensive machine. Sutherlin scored 19 points in the hectic first quarter that saw another record made on the Panthers. This time it was the most points scored on them in one period. Jim Combs also contributed six points in the first quarter, and Ken Corbin finished the scoring in the first period by kicking the extra point. Sutherlin took a 17 yard pass for a TD from Davenport, and a safety gave the Indians two more points. Again the Ysleta defense was a standout as they held the Panthers to a meager 45 yards total offense.

Ysleta continued its march toward the District crown, downing the Burges Mustangs 52-16. Dav-
enport passed to Combs for the first TD. Then
Corbin hit for another six and still another in the
second quarter. Combs also went over from the
seven. Sutherlin opened the third quarter with a
58 yard TD run. Then Burges scored on a pass
play. The Burges conversion was good. Ysleta came
back and fumbled and Burges took stock of their
good fortune and scored again on a freak pass
play. Final Burges tally came on an eleven yard
field goal. Ysleta came back and scored three
more times, Corbin twice and Sutherlin once.
Final score stood 52-16.

BEARS HALT INDIAN ATTEMPTS TO GAIN YARDAGE.

Bowie Bears were determined to spoil the Redmen's Homecoming, but could not muster enough strength as Ysleta rolled over them 56-6. The Bears opened up an effective aerial barrage which saw only one pass leak through for a TD. Ysleta's scoring was done by Sutherlin, Corbin, and Combs, who managed to score seven touchdowns among them. Defense was led by Kendrick Lewis and Joe Carasco, who sparkled on defensive pass protection. Folmer, Howard, Brewer, and Marquez were tough in the defensive line spots.

Ysleta Cinches Title

A jam packed Kidd Field Stadium saw the Ysleta Indians defeat the Bel Air Highlanders in a heart-shocking victory of 14-12. Ysleta scored first as Joe Carrasco picked off a Bel Air pass and raced to the Clan's 16 yard line. Sutherlin then crashed over for six points on the PAT. Many times Bel Air was stopped inside the Indians' 20 yard line. Tim Morton picked off two Clan passes that stopped scoring threats. Early in the second half Boyd of Bel Air

raced to Bel Air's first TD; then later Boyd passed to Hague to put Bel Air ahead, 14-8. Ysleta trailed until the final minutes when Combs made a spectacular run to the Clan's six yard line. Davenport then passed to Batres and Ysleta went ahead 14-12. Time ran out, and Ysleta had won the District 1-A AAAA Championship, and the right to play in the Bi-District game.

Bobcats Overpower Tribe

SUTHERLIN ATTEMPTS TO ESCAPE PURSUING BOBCATS.

A near capacity crowd at Kidd Field saw the Ysleta Indians fall prey to the mighty San Angelo Bobcats 28-8. The first quarter saw good defensive action from both squads and both teams were forced to punt several times. Early in the second quarter, Angelo's big fullback, Mike Tabor, crossed over for the six points. Angelo again got the ball and quarterback Larry Mullins ran over on a pass-run option.

A pass interception set up Angelo's third score as Mullins passed to Gray. Angelo scored once more in the third quarter as Ysleta took over. Ysleta's only score came as a fumble by the Angelo Punter. Lewis recovered and Sutherlin crashed over for six. Mike then repeated the same play for the extra points. The Indians out-played Angelo the second half but just could not overcome the 20 point lead.

WINTER 1961-62

A time of anxiety and happiness.
Halfway through the school year—
We halted and took stock of our achievements.
And with the dawning of the New Year,
Resolved to improve.

We concentrated undividedly on passing mid-term exams.
Cramming for some—
Voy, vas, va—parlez-vous
SO₄ is sulfate, SO₃ sulfite.
And practicing for others.

A S D F J K L semi
Tailors tucks sewn perfect and darts basted.
Hut, hut, left flank, march.
Do re me fa so la ti do.

Sparks of joy, elation and loyalty flew
On the basketball court,
At the Christmas Program
During the long-awaited dances
Or at any recital of achievement.

*Mr. K.
Thanks for all
the help that you gave
to me. I have really enjoyed
being D. M. I hope next year we
can go up and show the '61-'62
school what we can really
do.*

Jerry Woolsey*

'61-'62 Band

Gerald Woolsey, a Junior in his first year as drum major, conducted the 1961-62 Varsity Band through a successful marching season. Previous to the opening of the school year, Jerry participated in a special training convention at Sul Ross College. A new system of directing, using neither baton nor whistle, was employed by Jerry. He used a distinctive movement of both hands in giving instructions. Mr. Aaron Keen, band director, commented that he had received numerous compliments from band leaders in El Paso on his ability and style.

Lead Majorette

Jan Persons

Completing her second year as Lead Majorette, Jan Persons served Ysleta faithfully during her senior year. Jan is the head of the El Paso Shownettes, a twirling organization which won first place in state competition. She has served four years as majorette at Ysleta.

Feature Majorette

Jan Zeretzke

Jan Zeretzke, sophomore, has provided Ysleta with several new and exciting twirling routines, some using fire and flags. This is Jan's first year as feature and her second as majorette at Ysleta.

A standard uniform, worn by Ysleta's majorettes for the first time this year, became a part of the numerous traditions. The costumes are maroon with white fringe and are literally sprinkled with silver sequins. The group participated in such school activities as

football games, pep rallies, and parades. During the spring semester each girl played an instrument in varsity band; and, toward the close of the year, once more began twirling practice for try outs.

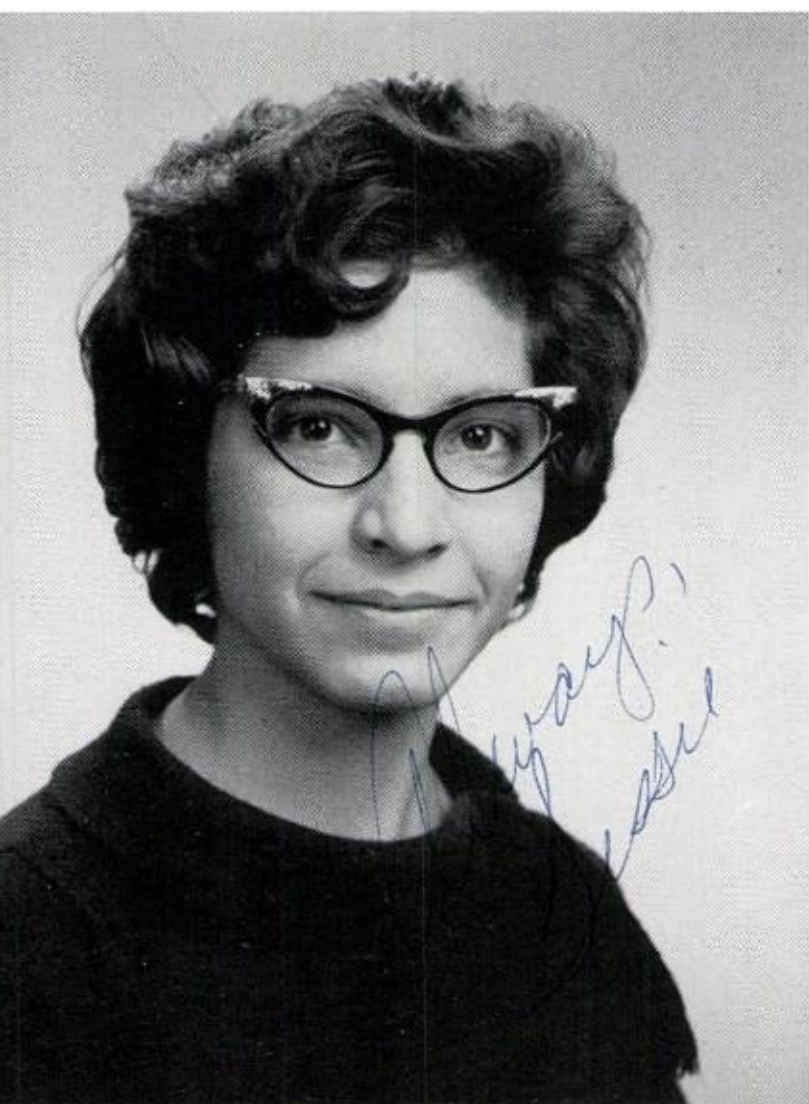

Band Court Reigns

Highlighting the band season were Jan Persons, Tessie Carbajal, and Jean Nabhan. Jan, a senior, headed the '61-'62 Band Court. She was presented with roses at the Ysleta-Austin High football game. Tessie, a junior, and Jean, a senior, were given rose corsages. These girls were elected by members of the band, drum corps, and majorettes.

BAND OFFICERS: Mary Lou Albee, treasurer; Jimmy Conn, vice-president; Jan Persons, president; Don Bollinger, 'sergeant-at-arms'; Gay Stickler, secretary.

Brightly arrayed in new uniforms, members of the Varsity Band added zest to the year's activities. Practice began on music which was to be used during football and concert season at the close of the previous year. This organization participated in half time shows and marched in parades such as the United Fund, Sun Carnival, Texas Western Homecoming, and Rodeo. With the arrival of the second semester, however, the pace changed, and students were found practicing for concerts and competition.

One of the oldest organizations at Ysleta High School, the Drum Corps is a lively complement to Senior Band. This feminine group, composed of 28 members, was a ready and willing representative of the Indians in any activity calling for gala rhythm: pep rallies, local parades, and half-time shows for football games.

A year of junior drumming is required for Drum Corps membership, and competition is conducted among qualified girls for positions in this organization. Lead Drummers are chosen on the basis of playing skill and cooperation. Those applying must have at least one previous year of membership in Drum Corps and be outstanding in the group.

Mr. James Carthel headed the '61-choir. Ysleta's Choral Department centered the fall and spring seasons with songs ranging from religious to classical. The Choir seemed to be involved in every activity with the selling of luncheon arias, the pre-game barbecue for Ysleta-Bel Air football clash, and an chilada dinner. All proceeds went to organ fund. The annual Christmas program for the PTA was titled "Christmas Preview—'61." Something new added this year was the joint Christmas concert program, given by varsity band and choir, in which both received many compliments from spectators. The choir clinic, directed by Dr. Gene Hemle of Texas Tech, was one of the most outstanding events of the year.

Something to please everyone is the motto at YHS. An inspiring Christmas assembly was the combined effort of the choral departments and the band. YHSers discovered there is no business like show business, especially when the Senior Class presented "A Typical Week at YHS," including such beauties as Ann Folmer and Arlene Regan. Beautiful tones of blue and twinkling stars in decorations as well as in the eyes of YHS maidens made the 1962 Festival, "Stairway to the Stars," a wonderful memory. wheels presented the "Drunkard" as their class play.
Miss Clara Simer made twelve garters which were seen
floating around on the arms of our dignified male
instructors. Valentines were delivered special delivery
by student council members. A special Valentine mail-
box was installed in the main hall and money collected
went to the Foreign Exchange Program. Ysleta Future

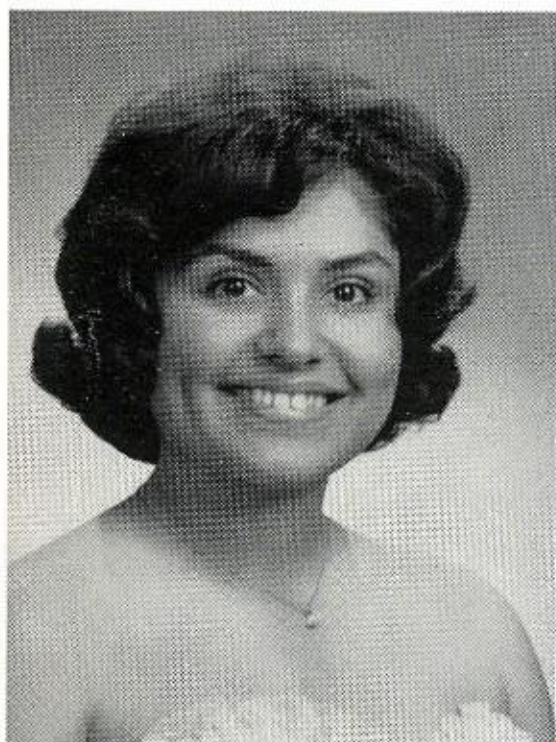

Teachers gave of their time to make basketball games
more enjoyable to fans by selling refreshments at all
home games. During half-time of the last game of the
season, the basketball sweetheart, Sera Meraz, was pre-

administered. Ysleta Sponsor Corps followed in our

Otyokwa Staffers Plan Many Firsts

Students who are chosen for *Otyokwa* staff must have a good grade average and a desire to work hard. After a spring and summer of planning, the staff makes its first deadline, usually in October. SEATED are Patti Stewart, busy with senior layouts; Katie Gnauck, checking faculty copy; Frank Root, alphabetizing annual sales, and Paula Heflin, planning club pictures; STANDING are Music Editors Cheryl Stevens and Bonnie Lankford and Doris Thomas, who worked on classes and index.

Ad salesmen for both OTYOKWA and POW WOW were Norma Plowman, Peggy Beal, Genie Bussey and Margie Mendez.

Spring

SPRING

1962

A season overflowing with mixed emotions.
Long worried discussions over final exams.
Tense stillness as awards are presented for jobs well done.
The mingled gaiety of the prom
And nostalgia and joy of elections.

The class of '65 has reached the second plateau
On the rocky road to graduation.
The class of '64 is at the halfway mark,

While the class of '63 is prepared
To replace the seniors,
But for the class of '62—
Graduation and a tear.

1961-62, a school year slipping into the past
With only what we have achieved to carry us
Through the future.

Love

Always

Sara Meraz *62* Junior Favorites

Terry Johnson

Junior class secretary SARA MERAZ's bright smile makes her an excellent choice for junior favorite. Last year she was selected by her class to represent them in the Ysleta Festival.

Favorite among the juniors also is TERRY JOHNSON. Besides being elected favorite by his class, he has represented them for two years on the Student Council. Terry's other interests include football.

Kendrick Lewis

Senior Favorites

Emma Trevizo

Dividing his spare time between football, basketball and the Senior Steering Committee, KENDRICK LEWIS, this year's senior favorite was on the go.

Brown-eyed EMMA TREVIZO is a loyal supporter of all YHS activities. She spent her time dashing around to keep up with Student Council activities, Los Amigos and GRA.

John Green

Freshman Favorites

Delia Navarrete

JOHNNY GREEN reigned as favorite among the papooses. Sports, basketball in particular, ranked high on Johnny's activities.

Stepping into the shoes of leadership right off the bat was DELIA NAVARRETE who represented the freshmen on the Student Council as well as being elected favorite.

Ruth Ann Johnstone

Sophomore Favorites

Lorenzo Estrada

Sweet and spirited are words which best describe RUTH ANN JOHNSTONE, this year's sophomore girl favorite. Usually seen with a drawing pencil in hand, Ruth Ann's artistic ability proved to be invaluable to the Student Council.

Selected by the sophomores as boy favorite is LORENZO ESTRADA. Evident from his attire, Lorenzo is active in the NDCC Department of Ysleta.

Wanda Rodgers

Sugar 'n Spice is certainly what this year's FFA Sweetheart is made of. WANDA, a freshman this year, was selected by the members

of the Future Farmers of America. She also represented the chapter at the district meeting.

TO THE STUDENT BODY:

My year at Ysleta High School is one of the most rewarding experiences of my life! From the very moment of my arrival at the El Paso Airport when the students and my family met me, it has been a thrilling experience. Since the first day of school both the teachers and my fellow classmates have been

so helpful and friendly that I immediately felt I was a part of the school. I especially enjoy the sports program which creates a deep and real school spirit and fellowship.

I will be eternally thankful to Ysleta High School for the opportunity to be a part of it.

Achievement in Chosen Field Merits Recognition

Soon after entering high school, students find themselves interested in one particular field. Perhaps as freshmen, the art of stage lighting and play performance interests them or hearing the band or choir perform creates a desire to excel in that department. Thus it was with the people on these pages. They were selected to the 1962 WHO'S WHO by the chairman of each department listed because of their above average achievement.

Helpfulness, co-operativeness and scholarship are the characteristics on which the 1962 WHO'S WHO were selected. In the larger departments, teachers turned in nominations for students whom they felt had excelled in their particular class. From this the chairman made the announcement. Eight boys and ten girls hold the honor of being in Who's Who this year. It was established in 1945.

Also presented at the festivities were Mr. and Miss YHS, Most Popular Girl and Boy, and foreign exchange student, Miss Zeynep Barlas. Royal visitors from all the high schools and Texas Western came to pay homage to Queen Liz. A wonderland of stars decorated the cafeteria, scene of the dance following the coronation. "HEY, I WANT YOU TO SIGN THIS," PEGGY SHARP SAYS TO EDDIE KNIPP AS PETITIONS FOR THE SPRING ELECTIONS WERE CIRCULATED.

Spring months with warming weather increasingly put the tribe in a late frame of mind. Spring elections, for student body officers and cheerleaders, quickened the pace. Spring training for football players came along and the boys were confined with cuts a few. An inter-squad maroon and white game ended the training period. NHS Spring Induction was held, with a luncheon following.

Varsity Baseball Coach KENT BABB

Indians Engage in New Season

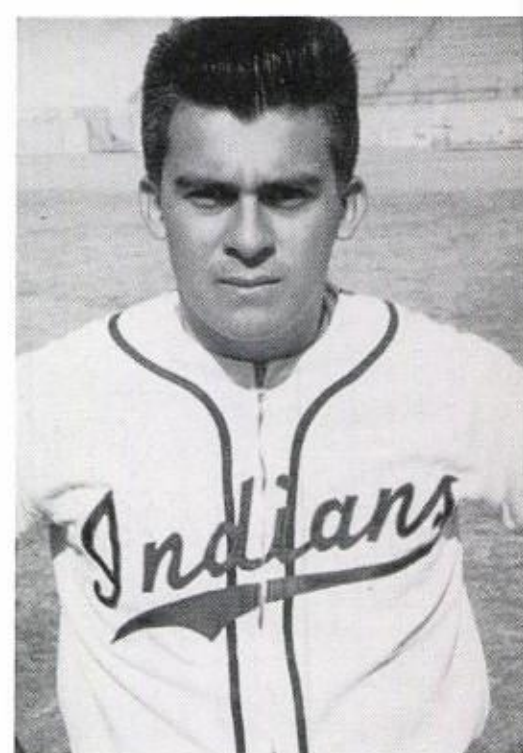

The Varsity Baseball team, under the direction of Coach Kent Babb, opened its 1962 season against Gadsden High School. Coach Babb used his veteran players to offset any inexperience on the field. The Tribe traveled to Odessa to play against Odessa Hector and a double-header against Odessa Permian. The Indians then played host to Albuquerque San-
tia and Midland to round out the out-of-town games. Ysleta had sixteen district games during the season—two games against each team in town. One of these two games was a home game and one was on the opponent's field.

Tennisters practice a minimum of one and a half hours every day after school and sometimes even later. The tennis team participates in the Sun Carnival Tournament and plays other schools in the Ysleta and El Paso areas. In the fall they spend most of their time practicing to be in shape for the spring matches. The team went to Odessa on March 9 and 10. Three boys and three girls entered doubles and singles. In order to attend the Odessa meet the tennisters sold fruit cakes before Christmas to finance their trip.

Student Body
Ysleta High School
El Paso, Texas

Dear Students:

We have worked together since May a year ago on the 1962 OTYOKWA. Ideas came . . . and are now converted into reality: our theme, "Accent on Achievement in 1962," our four color pages, and the new arrangement of the book.

Of course in developing these plans into reality, many things went wrong. Neither of us will forget those last minute deadlines, but our hope is that this book has caught the activities, academic advancement and athletic achievement of this year, not only in pictures, but in copy. After the newness and excitement of the book wears off, read the copy through and apply it to your own memories.

Without the aid of many people this book could not have been possible. We wish to express our gratitude to the Popular Dry Goods Studio of Photography, and Thirman Studio of Photography as well as our student photographers, Eddie Fresquez and Willie Rosencrans, for pictures, Mr. Clyde Wafer for his time and patience, Mrs. Jackie Goodwin for her work with us, Mr. Joe Mays of National School Studios, Capt. John Bracey who took the color pictures for us, and Mr. Chester Sullivan, representative from Taylor Publishing Company. Our special thanks go to Mrs. Pearl Crouch, our advisor, for many hours of needed guidance, and to the student body and faculty for their co-operation in taking pictures.

At long last we are able to present to you the 1962 OTYOKWA. We hope you will enjoy it and cherish it.

Your truly,

Betty Bunn
